

10kV Insulation Tester

Technical Datasheet

The MT575 is a CAT IV 600V Digital High Voltage Tester with measurements from 1000V DC to 10,000V DC, and will automatically discharge the circuit after the test has been completed. Using the rotary selector switch, 4 preset ranges of 1000V, 2500V, 2500V and 10 000V can be selected, with an insulation resistance up to 2TΩ. The microprocessor controlled MT575 is ideal for analysing the insulation characteristics of cables, transformers, motors, generators, high pressure switches, insulators and large wiring installations as the short circuit current output is up to 5mA. 200 test measurement results can be saved in the memory of the meter and recalled onto the LCD display. The large intelligent LCD display consists of 2 lines x 16 characters, indicating the reading of insulation, measuring time, output voltage and output current. The Mt575 can measure AC and DC voltage up to 600V and is housed in a robust case ideal for extended field use, powered by 8 pieces "C" 1.5V batteries.

Features:

- Insulation Test Voltages from 1000V to 10 000V
- Microprocessor controlled with 2 lines x 16 characters intelligent display
- Short circuit current up to 5mA
- DAR - Dielectric Absorption Ratio indication
- PI – Polarization Index indication
- Measurement of AC and DC voltage up to 600V
- Auto ranging on all insulation ranges
- Adjustable test time from 1 minute to 30 minutes
- Auto hold to freeze measurement readings
- 200 measurement results can be saved in memory and recalled onto the display
- Visual and audible warning of external voltage greater than 30V AC and DC
- Date and Time calendar

General Specifications

Functions	Range	Accuracy
Insulation	1000V - 200GΩ	±(5.0% +5)
	2500V - 500GΩ	±(5.0% +5)
	5000V - 1TΩ	±(5.0% +5)
	10 000V - 2TΩ	±(5.0% +5)
Current Measurement	0.5nA to 0.55mA (Depending on insulation resistance)	
Short Circuit Current	5mA	
AC Voltage	30.0V - 600V	±(2.0% +3)
DC Voltage	30.0V - 600V	±(2.0% +3)
Batteries	8 x C Alkaline	
Dimensions	250 x 190 x 127mm	
Weight	2.12kg
